# 1st Scrum meeting

## Meeting agenda

**Which project to undertake between:**

- Supermarket scanning device.

- Mobile Restaurant booking System.

- Electronic election tallying System.

**Notes:**

## 0.1  Supermarket Scanning System:

The Supermarket Scanning system will entail :

- Improved system to be used on current store hardware

- Online shopping feature

- User profiles

- Make use of store database

- Eye catching GUI

## 0.2  Restaurant management system

The Restaurant management system will entail :

- Table booking ability

- Admin and user profiles

- Only same day booking allowed

- Electronic meal ordering

- Tab creation

## 0.3  Electronic election tallying system

The electronic election tallying system will entail:

- Eliminating paper ballots

- Online registration

- Automatic tallying

- Check eligibility to vote

- Allow voters to roam candidate profiles

**After much deliberation we chose to undertake the Restaurant Booking System project.  We thus need to allocate our scrum leader as well as our product owner.**
**Scrum leader: Christopher Mashele**
**Product Owner: Lethabo Nkabinde**

**Meeting Adjourned Next meeting scheduled 25 July 2016**
